THE BANKING CODE STANDARD BOARD OF INDIA

1. INTRODUCTION

This is a Voluntary Code, which sets minimum standards of banking practices member banks have to follow while they deal with individual customers. It provides protection to customers and explains how banks are expected to deal with customers in their day-to-day operations.

1.1. Objectives of the Code promote good and fair banking practices by setting minimum standards in our dealing with you

- Increase transparency so that you can have a better understanding of what you can reasonably expect from us.
- Encourage market forces, through competition, to achieve higher operating standards.
- Promote a fair and cordial relationship between you and your Bank.
- Faster confidence in the banking system.

1.2. Application of the Code:

This Code applies to all the products and services listed below, whether they are provided by our branches or agents acting on our behalf, across the counter, over the phone by post through interactive electronic devices, on the internet or by any other method. However, all products discussed here may or may not be offered by us
